

Alpine Meadows Defensible Space Cleanup

It's that time of year to do defensible space work!

Have pine needles, pinecones, bushes, and other "loose" yard waste that TTSD won't pick-up? Have tree limbs, snapped trees or treetops that came down this winter?

Take advantage of Green Waste dumpsters!

Valley Wide: May 22nd – 24th

ASCWD has arranged for **GREEN WASTE** dumpsters to be in the valley for the Memorial Day weekend, They will be located at:

- **Juniper Mountain** between the blue stakes across from 1533 Juniper Mountain Rd.
- **Alpine Meadows Estates** on Snow Crest Rd & Mineral Springs Trail, Snow Crest Rd. & the fire road, and Deer Park Dr. & John Scott Trail.
- **Bear Creek** across from the pond.

*Remember these dumpsters are for **GREEN WASTE ONLY!** No old skis, furniture, food or pet waste. No trash bags filled with pine needles or cones; the bags must be emptied into the bins.*

Any trash found in the dumpsters will have to be removed by staff, and those costs will be deducted from the defensible space/fire budget of ASCWD for our valley.

Rent your own Green Waste dumpster

There will be **no free chipping** so consider renting your own dumpster to haul away branches, pine needles and cones, leaves, bushes, and other green material.

TTSD offers a 6-yard Green Waste only dumpster delivered to your door for a **rate of \$171.29 July 1 – October 31.** **Call TTSD directly to order (530) 583-7800.**

Submit your receipt to ASCWD for a reduction on your ASCWD bill next year. Contact [Laurie](#) at ASCWD for more details (530) 583-2342 x2.
