## How to Register for Placer-Alert

1. Visit [www.Placer-Alert.org](http://www.Placer-Alert.org).
2. Click [Sign up](#) to enter your user profile information, then click [Create Your Account](#).
3. **My Profile**
  - Verify your first and last name.
  - Enter the phone numbers or email addresses for alerts. *You do not have to enter something in every box. For example, if you only have one cell phone then you would put that number in the Primary Cell Phone field and leave the Secondary Cell Phone field blank.*
  - Click [Save & Continue](#).
4. **My Location**
  - You are able to enter alert requests for up to five separate locations (home, work, school, parent's house, etc.).
  - After each entry, you must click [Verify this Address](#) so the system can geo-locate the address.
  - Confirm the location on the map is correct, then click **This is my Location** to proceed.
  - Click [Save & Continue](#).
5. **My Subscriptions**
  - Emergency Alerts are included by default. To receive additional notifications, review the subscription lists and check the appropriate boxes.
  - Click [Save & Continue](#).
6. **Review**
  - Review your information for accuracy.
  - You can send a test notification to your contact methods
  - Check the "I'm not a robot" box, then click [Finish](#).
